### IBM CLOUD ACCOUNT: DASHBOARD

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Nandhitha Sree B's Acc...). Below the navigation bar, the main content area is titled 'Dashboard' and features a 'For you' section with several service tiles. The first tile is 'Build', which includes a sub-section 'Set up your IBM Cloud account' with a 'Getting started' button and a 10 min duration. Other tiles include 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), and 'Create a new IBM Cloud account' (20 min). A 'Usage' section is visible at the bottom left, and a user profile menu is on the right side.
